

St. Luke's Gospel

St Luke's Gospel is the Gospel of the Immaculate Heart of Mary. It offers us a deep, accurate and refreshing understanding on how to "become servants of the Word of God" (Lk 1:2). It shows us the only way available: through Mary's Heart.

This Course will follow the main structure of the Gospel of St Luke and dip into different passages to unravel the depth and beauty that St Luke's Gospel offers us.

The insights found can immediately be implemented in our spiritual life and one can start to see the new fruits.

Often people think that the Bible speaks very little about Mary. The Course on the Gospel of St Luke proves us wrong.

The Course is an excellent Advent Preparation, with Mary and the Scriptures.

Structure of the 2 days

The Course will have the following structure:

1st Saturday: St Luke's Introduction. The initial diptych, ie the two annunciations. Explanation of St Luke's Golden Thread. Mary's Heart in Chapter 2. The Parable of the Sower. Other passages.

2nd Saturday: The main 'annunciation' (Death and Resurrection of the Lord). Its realization (Passion and Death). Chapter 24 (Resurrection); description of Mary's Heart.
