

## ***Saint Elizabeth of the Trinity Day***

**15th of October - 2016**

*Spending a day with Saint Elisabeth of the Trinity learning to discover her writings, doctrine and spirituality.*

*On the 16th of October Pope Francis will Canonise Blessed Elisabeth of the Trinity.*

### **Who is Elisabeth of the Trinity?**

Elisabeth of the Trinity was a French Carmelite nun. She was born in 1880 in Bourges, France, entered the Carmelite Monastery of Dijon at the age of 21, and lived for only five years. She died at the age of 26 on the 9th of November 1906.

She is less well known than her other French sister, St Therese of the Child Jesus, but she too deserves to be known for her life and message to the world. She is more discrete and her message is mainly on interiority. Her doctrine is very rich and deserves to be discovered.

She stated: "I think that in Heaven my mission will be to draw souls by helping them to go out of themselves in order to cling to God by a wholly simple and loving movement, and to keep them in this great silence within which will allow God to communicate Himself to them and to transform them into Himself"

### **What content is covered?**

The lectures during this day will focus on four key areas:
