

## Solid Foundations Course

San Antonio, TX- 2024

*Solid Foundations* is a powerful and practical introductory course in the spiritual life starting in February 2024.

### Who might find the course useful?

The course is those who have found their feet in practicing the faith (Sunday Mass, some prayer) but who now want to know "is there something more?" and "how can I start to draw closer to the Lord?"

The Solid Foundations Course draws on the insight and practical advice of the great spiritual writers including St John of the Cross, St Teresa of Avila and St Therese of the Child Jesus to help us understand the basics we need to put in place and the part we are invited to play to begin to grow in our relationship with God... and how much more lies in store!

### What content is covered?

The course focuses on three key areas:

- Praying with Scripture:** understanding how to pray with Scripture, what to expect when we begin to pray in this way and the opportunity for some hands-on practice
- How the spiritual life works:** looking at the shape of the spiritual life, the role of Our Lady and the guiding principles which we need to understand in order to start to co-operate more easily with what God is inviting us to
- Praying with the heart:** finding our bearings with contemplative prayer – what it is, how to pray in this way and what to bear in mind

as we find our feet... as well as the chance to put it all into action.

As with all School of Mary courses, the Patroness of the Course is Our Lady, the mother of Jesus.
